Creative Aging A Meaningmaking Perspective

I briefly explore relevant constructs: meaning-making, multimodality, and creativity and provide an overview of early phases of young children's visual language development. Through an insightful description of the multimodal meaning-making processes that emerged in adult-child interactions surrounding a toddler's early scribbles, I offer authentic illustration of theory in practice.

AARP'S Best Books Series Creativity in Later Life

Creative Aging: A Meaning-Making Perspective, Norton, 1991. I want to add one other outlier of a book. The Old Ways: A Journey on Foot does not directly address the nature of creative aging, but it is a paradigm of what one is drawn to during what some call the "legacy" portion of life, a time of reflection and contextualizing.

Creative Aging Reading List, Part Two: But wait, there's ...

Inspired by Mary Baird Carlsen's seminal book Creative Aging – A Meaning-Making Perspective, they envisioned a place dedicated to the exploration of the many dimensions of creative potential in our later years, including psychological and spiritual growth. NWCCA-trained facilitators led the first "Conversations on Creative Aging" in 2010.

What Aging Means. Some people expressed that aging means change, loss, and not being able to do anything. One said,"Getting older means more years to add to your life, less active, less hair, more medicine, more wrinkles, arthritis, and more forgetful." They felt that when people get older, they lose their dignity and independence.

If you'd like to understand a Middle Eastern perspective, read Ageing in the Middle East and North Africa: Towards a new model of care .

What is Positive Aging? 10 Tips to Promote the Positive ...

In psychology, meaning-making is the process of how people construe, understand, or make sense of life events, relationships, and the self.. The term is widely used in constructivist approaches to counseling psychology and psychotherapy, especially during bereavement in which people attribute some sort of meaning to an experienced death or loss.
