If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

Makita power tools are powered by rechargeable battery packs. When the pack runs out of power, it should be removed from the tool and placed into a Makita battery charger. If the charger is not working correctly or not properly charging the battery, troubleshooting can help you determine whether the battery or battery charger should be replaced.
