### Reinventing The Bazaar A Natural

Reinventing the Bazaar is at its strongest when covering deregulation and privatization. Capitalism is clearly superior to command-and-control direction of the economy, but we have come to learn that even where there is an obviously better alternative, the transition itself can be problematic. Post-Soviet Union Russia is contrasted with China.

### Reinventing the Bazaar: A Natural History of Markets ...

Reinventing the Bazaar was written by the late John McMillan, a professor of economics at Stanford and an expert on government procurement. This is a book about the economics of markets (with a focus on market design), not an economic history, as I believed when I purchased the book.
