The European Union (EU) is a political and economic union of 27 member states that are located primarily in Europe. The union has a total area of 4,233,255.3 km² (1,634,469.0 sq mi) and an estimated total population of about 447 million. An internal single market has been established through a standardised system of laws that apply in all member states in those matters, and only those matters ...

European Union - Wikipedia

Sexism is linked to beliefs around the fundamental nature of women and men and the roles they should play in society. Sexist assumptions about women and men, which manifest themselves as gender stereotypes, can rank one gender as superior to another.Such hierarchical thinking can be conscious and hostile, or it can be unconscious, manifesting itself as unconscious bias.

What is sexism? | European Institute for Gender Equality

All attorneys research the intent of laws and judicial decisions and apply the laws to the specific circumstances that their clients face. Lawyers often oversee the work of support staff, such as paralegals and legal assistants and legal secretaries .

This Guide. The international treatment of Intellectual Property rights involves to a significant degree both the traditional concerns of public international law (i.e. the law of nations) and the concerns of the 'conflict of laws' or 'private international law' with the problem of determining in what jurisdiction to pursue a private legal dispute and what law will be applied to it.
