INTRO TO TELEKINETICS SAGE. Welcome to my 6.0 guide for Telekinetics Sage! As of 6.1.1, Telekinetics was nerfed slightly, but it's still a good ranged DPS spec to play in 6.0 and still generally performs better than Balance in real single target situations despite being the burst DPS spec, largely thanks to much greater contributions from Telekinetic Defense, which doesn't show up in dummy ...

User story mapping is a simple, collaborative exercise that helps you define your user's journey with your product... where any gaps exist, and what it could be. In other words, it's a way to move out of feature prioritization purgatory and instead keep your user's needs and actual use cases front and center.

A Guide to User Story Mapping: Templates and Examples (How ...

INTRO. Welcome to my 6.0 guide for Balance Sage In 6.1.1, Balance performs ever so slightly better on the training dummy than Telekinetics, though in actual combat, it will often perform slightly worse since it doesn't synergize nearly as well with the Telekinetic Defense utility.
