The Girl You Left Behind has a dual time-frame narrative; the first part is seen through the eyes of a woman in occupied France in 1916, the second through one living in modern day London. I'm not generally a fan of historical literature, particularly one with a war setting, so I was slightly reluctant at the start of this novel.

Olive oil extraction is the process of extracting the oil present in olive drupes, known as olive oil. Olive oil is produced in the mesocarp cells, and stored in a particular type of vacuole called a lipo vacuole, i.e., every cell contains a tiny olive oil droplet. Olive oil extraction is the process of separating the oil from the other fruit contents (vegetative extract liquid and solid material).

The Home Alone movie house has always been one of my favorites, so I was excited when a reader named Eric shared photos he took inside the real home in Winnetka, Illinois, with me. He says the owners were kind enough to allow him to take these in 2004. Take a look! The “Home Alone” Movie House. Let’s take a look at the entry first.
