On Travel and Street Photography "You need a change of soul rather than a change of climate" – Seneca Over the last year or so I have been incredibly lucky to travel to over 15 cities internationally, and have met some of the most incredible people in my life.

### On Travel and Street Photography

In-body image stabilization (IBIS) is incredibly handy for travel and street photography because it makes traveling with tripods less necessary. By stabilizing the sensor you can use slower shutter speeds to create extra exposure to make up for the smaller Micro 4/3rds sensor and keep your handheld shots razor sharp.

**Travel and Street Photography: From Snapshots to Great ...**

In here, I've listed the 3 very best street cameras right now that you'll love if you are a travel/documentary/street photographer. I chose these 3 mainly because they: are compact, have large sensors, fixed lenses and great AF speed, offer awesome image quality, are portable (and even pocketable), and, easy to work with. Just to name a few.
